

Andrew Solutions HELIAX[®] Connector Attachment Training Course

Talley Inc. is proud to host a FREE Andrew Institute training course for connector attachment. More and more carriers are mandating that technicians installing their systems complete technical training. Upon completion of this Andrew Institute training, you will be registered with Andrew as having completed their connector institute course work (certifications are valid for three years). The connector certification course will be held on **December 16, 2010** from 9:00 a.m. - 5:00 p.m. (lunch will be provided). The certification course will be held at:

Talley Inc.
275 Veterans Blvd
Rutherford, NJ 07070 (visit our website for directions or call 800.949.7079)

Each attendee will learn:

- How all the components work together.
- Through hands-on practice, learn to properly assemble connectors and accessories.
- Learn the proper techniques of installing HELIAX[®] coaxial cables.
- Connector attachments for L4TDM-PSA, F4PDMV2-C, 540EZDM, AL5DF-PSA and 78EZDF.
- Accessories include weatherproofing, grounding, hoisting and hangers.
