Dear Valued Customer:

Kansas state law requires that we have a resale card on file for all accounts that are nontaxable. The resale card must have an original signature to be valid. Please complete the card attached and mail the original to Talley Communications Corp. Please **FAX** a copy of the card to Barbara Pinion as soon as possible to 562.906.8082.

If you are a taxable account, please advise as such so that we may adjust our records accordingly.

Thank you for your cooperation and prompt response.

Sincerely,  
Talley Communications Corp.

**THIS CERTIFICATE MUST BE COMPLETED IN ITS ENTIRETY.**

**WHO MAY USE THIS CERTIFICATE?**

Only those businesses, groups and organizations that are registered to collect Kansas sales tax and provide their Kansas sales tax number on this form may use this certificate to purchase inventory without tax. The seller may require a copy of the buyer's Kansas sales tax registration certificate as a condition for honoring this certificate. See also "Resale Exemption Certificate Requirements" in Publication KS-1520, "Kansas Exemption Certificates."

Nonprofit groups or organizations exempt by law from collecting tax on their retail sales of tangible personal property (such as a PTA or a nonprofit youth development organization) should use the exemption certificate specifically designed for their exemption when buying items for resale.

Wholesalers and buyers from other states not registered in Kansas should use the Multi-Jurisdiction Exemption Certificate, Form ST-28M, to purchase their inventory. HOWEVER, if the inventory item purchased by an out-of-state buyer is drop shipped to a Kansas location, the out-of-state buyer must provide a Kansas sales tax number, either on this certificate or the Multi-Jurisdiction Exemption Certificate, for the sale to be exempt.

**Contractors, subcontractors, or repairmen may not use this certificate to purchase their materials, parts, or tools.** Retailer/Contractors should use a Retailer/Contractor Exemption Certificate, Form ST-28W, to purchase their resale inventory.

**WHAT PURCHASES ARE EXEMPT?**

Only goods or merchandise intended for resale (inventory) are exempt. Tools, equipment, fixtures, supplies, and other items purchased for business or personal use are TAXABLE since the buyer is the final consumer of the property.

The items purchased with this certificate must correspond to the type of business buying them. For example, a retail clothing store may only reasonably purchase items of wearing apparel and accessories with this certificate. All other kinds of items are not usually sold by a clothing store to their customers and, therefore, cannot be purchased with this certificate.

**LABOR SERVICES**

This certificate applies ONLY to items of tangible personal property. A contractor may not use an exemption certificate to purchase the labor services of another contractor or subcontractor. Taxable labor services performed by a contractor can ONLY be purchased without tax with a Project Exemption Certificate issued by the department or its authorized agent.
