

Talley, Inc is pleased to announce we will be sponsoring a FREE Andrew Terrestrial Microwave Systems Installation training class on May 12-13. Andrew's course fee for this class is \$3,500, so make your reservations today to attend the ONLY free Andrew terrestrial microwave course offered for the year! The course is limited to eight people, reservations are on a "first come, first serve" basis.

This two-day course can improve the efficiency and effectiveness of your terrestrial microwave (TMW) systems with free specialized training on all aspects of installing and testing Andrew products. With hands-on instruction to teach the most current assembly and installation techniques. Covering topics that range from microwave as a communication medium to de-rigging and site cleanup. The new TMW communications technology training is certain to raise the expertise and effectiveness of those who attend. The class will be held at:

Talley, Inc.
11288 Pyrites Way
Gold River, CA 95670
